To Whom It May Concern;

Coblation® Technology is used in the ArthroCare Werewolf Coblation System. The Werewolf Coblation System is a Bipolar, Radiofrequency Electrosurgical system specifically designed for the resection, ablation, and coagulation of tissues and hemostasis of blood vessels in various arthroscopic and orthopedic and otorhinolaryngology (ENT) procedures.

Coblation® is a registered Trademark of ArthroCare Corporation (U.S.A.) and such as the exclusive property of ArthroCare Corporation. ArthroCare is the only company which manufactures Coblation Devices. A similar article is not manufactured or sold by any other firm which could be used in lieu.

The Werewolf Coblation System is covered by US Patent.

Werewolf Coblation System- is a USFDA Approved Product with 510k Certificate No_ K192027.

Coblation Halo Wand - is a USFDA Approved Product with 510k Certificate No_ K192027.

The Werewolf Coblation System has a range of wands which are device specific and are designed for a specific need of the surgical procedure. No other make or model provider is acceptable for the following reasons:

- A) Proven Quality
- B) Proprietary Patents
- C) International recognized safety and efficacy
