

**ALL INDIA INSTITUTE OF MEDICAL SCIENCES Bilaspur, HP**  
**NOTICE INVITING QUOTATION**  
**Supply of for the Department of Urology**

Sealed quotations are invited from registered stockiest/distributors/manufacturers having GST No. for the Supply of Open Surgical Instruments as per the detailed specifications (Annexure-A). Sealed Quotations in a single envelope duly super subscribed at the top of the envelope as "Quotation **NO. AIIMS-BLS/URO /2025/NIQ-04/** Open Surgical Instruments for the Department of urology date of opening 28/08/2025" containing both the "Technical Bid" and "Price Bid" (in two separate envelopes) may be submitted so as to reach on or before 28/08/2025 up to 11:00 A.M in department of urology OPD, B-BLOCK, AIIMS Bilaspur, Kothipura, Bilaspur, Himachal Pradesh PIN- 174037. Bidders have to quote for all the items. Late bids will not be considered. The bids shall be opened in the presence of duly constituted local purchase committee.

For the purpose of technical evaluation, the bidder is required to submit following documents.

NOTE: Bidders who do not conform to all the desired specifications mentioned in the NIQ should NOT submit their bids.

Technical Bid:

1. Profile-Name & Full Address of the firm & year of establishment.
2. Copy of permanent GST registration certificate.
3. Copies of supply orders secured during 2023-24 for the similar products.
4. Turnover for last two years (2023-24 & 2024-25).
5. Self-declaration that the firm is not debarred by MoHFW or Department of Commerce.
6. Full description, make and quantity of the item must be mentioned in the quotation.
7. Technical Evaluation will be based on total value.

In case the Technical Committee rejects a sample (if asked for) or the bid is "Not Qualified" on technical grounds, the financial bid in respect of that item will not be considered.

**financial Bid:** The rates and total cost must be quoted in both words and figures (over writing not allowed). Selection will be made purely on the basis of lowest price quoted by technically qualified firms. Validity of the quotation should be for a minimum period of 90 days. In case discrepancy between unit price & total price, the unit price shall prevail.

Financia1 Bid submission format for Bidder for items with quantity required is as under: -

Sr. No.	Item Detail	Qty Required	Make	Model	HSN Code	Unit Price	GST @	Unit price with tax	Total Amount

Other terms and conditions will be as follows: -

1. Supply will be F.O.R. at AIIMS-Bilaspur
2. Supply will have to be arranged within 21 days from the issue of supply order. Delayed supplies beyond 21 days from the date of Supply Order will be subject to LD @0.5% per week or part thereof, on the contract price subject to maximum of 10% of contract price beyond which the supply order will be liable to be cancelled.
3. Supply must conform to samples wherever asked for.
4. The Institute reserves the right to reject the goods if the same are not found in accordance with the specifications approved / asked for. In case there is a short/defective supply, the firm will be informed and the defective material will be lifted from the concerned department/ Store by the supplier at their own cost within two weeks' period. The Institute will not bear any expenses on this account.
5. Samples will be preserved till final settlement.
6. Bidder is required to quote rate of 100% items.
7. Part supply will not be accepted.
8. No revision in rate (on higher side) will be accepted at any stage.
9. The firm shall not assign or sublet the work/job or any part of it to any other mm.
10. Billing will be in the name of Executive Director, AIIMS-Bilaspur. Payment will be made after the item has been received, inspected & accepted. No advance payment will be made at any stage.
11. Taxes at other government levies will be paid extra as applicable.
12. Venue for sample verification (if asked for) and quotation opening shall be in conference hall of Procurement & Stores Department, E- BLOCK AIIMS Bilaspur, Kothipura, Bilaspur, Himachal Pradesh PIN- 174037.

Dr. Anil Kumar Dhiman  
Assistant Professor  
Department of General Surgery  
AIIMS, Bilaspur (H.P.)  
DMC/66346

4.	The instrument steel should comply with EN 150 7153 standard for stainless steel use for surgical instruments and 150 13402 standards Surgical hand instrument- Determination of resistance against autoclaving, corrosion and thermal exposure. Necessary certificate should be furnished.
5.	The hinges should be rust proof.
6.	The instruments should be guaranteed against metal fatigue and rust.
7.	The instruments surface should be non-reflective.
8.	The Instruments should carry US FDA or European CE with four digit notified number./BIS
9.	The instrument will be compared on individual basis.
10.	The brand name along with catalogue number should be attached on the instruments
11.	Material used in scissors should be alloy of Titanium & Stainless steel/ Tungsten carbide resulting in superior corrosion resistance and precise cutting with durable cutting.
12.	All Instruments should have catalogue number embossed on them.
13.	The Company must have their service center in India and the regional service support.
14.	The firm will have to demonstrate the instruments if required.
15.	All instruments quoted should be from same manufacturer with international quality standards with maximum 10% variation in sizes are acceptable.
16.	All instruments and equipment's must be of high-grade medical quality stainless steel, reflection free (matte finish), lightweight and user friendly (both for application & comfortable use) unless otherwise specified, in anti-glare style finishing, if the used material and the construction of the instrument will allow it. The matting should be affected in an electro plating process.
17.	Surgical instruments should have following certifications: <ul style="list-style-type: none"> <li>• USFDA or European CE with four digit notified body</li> <li>• DIN Certificate</li> <li>• ISO 9001:2015</li> <li>• EN ISO 13485:2016</li> <li>• EN ISO 7153</li> </ul>
18.	Warranty: 01-year against manufacturing defects, rust & corrosions.
19.	All instruments should be made of corrosion free surgical grade stainless steel complying with the DIN standards.
20.	All instruments should be light weight and durable.
21.	All instruments should be non-magnetic.
